The Premier Colorado Training Event for Automotive Service Professionals

ASA Colorado Summit 2024

Share your expertise with the Industry

The Summit Training Committee is seeking management and technical training course proposals for the 2024 event to be held January 26-27, 2024 at Lincoln Tech. We are looking for 3, 6 and 8 hour sessions to be held in classroom, live-car and hands on settings.

- Management courses
- Technical courses (classroom and hands on)
- Educator courses
- Service Writer courses
- Medium and Heavy Duty Courses
